

## Voice of God (Speak Now)

**Verse 1:**           A           D                   F#m           D  
You are the Voice that spoke and caused the world to be  
          A           D                   F#m                           E  
You are the Voice that Moses heard from the bush that was burning  
          A           D                   F#m           D  
You are the Voice that calmed the waves of Galilee  
          A           D                   F#m                           E  
One whisper "Peace, be still" and the water ceased its churning

          D                           F#m  
**PreChor.:** Through the ages You have spoken  
          D   E  
We believe You're speaking still, and we're open...

          A           E           F#m           D  
**Chorus :** Voice of God, speak now, we're listening, we're listening  
          A           E                   F#m           D  
Voice of God, speak now, we want to hear  
          A           E                   F#m           D  
Voice of God, speak now, we're listening, we're listening  
          A           E                   F#m           D  
Voice of God, speak now, Your children are here  
                  A E F#m D (2xs)  
Saying God speak now.

          A           D                   F#m           D  
**Verse 2:** You are the Voice that called each one of us to life  
          A           D                   F#m                           E  
You are the Voice, the still, small Voice that keeps on calling  
          A           D                   F#m           D  
You are the Voice that will be heard through paradise  
          A           D           F#m                           E  
Throughout eternity, creation forever exalting

[Pre Chorus]

          A                   D                   F#m           D  
**Bridge:** May our ears hear, may our eyes see, may our hearts receive Your Word (4xs)
