

Beauty from the Ashes

Verse 1: **G** **D** **Em** **D**
Where do we go for peace when comfort can't be found?
G **D** **C2** **Em** **D**
Where do we turn for safety when security has tumbled down, and
G **D** **Em** **D**
Where do we find hope for a better day than this?
G **D** **C2** **Em** **D** **Dsus** **D**
Father, we cry out to You and call upon Your promises.

Chorus: **G** **Em** **C2** **D**
You can bring beauty from the ashes, gladness from despair
G **Em** **C2** **D**
Shine the light of Your healing love that we might see a future dawning there.
G **Em** **C2** **Em**
Oh, bring beauty from the ashes; help us see there's more than the grief,
G **Em**
Oh there's mercy and acts of compassion,
C2 **D** **Em** **D** **Em** **D**
Bring beauty, beauty from the ashes.

Verse 2: **G** **D** **Em** **D**
Lord, be our peace when comfort can't be found.
G **D** **C2** **Em** **D**
Lord, be our safety when security has tumbled down, and
G **D** **Em** **D**
Lord, give us hope for a better day than this.
G **D** **C2** **Em** **D** **Dsus** **D**
Father, we cry out to You and call upon Your promises.

Bridge: **Em** **D** **Em** **D**
When no words can calm our fears, Your Word brings us hope,
Em **D** **C2** **D**
Father, help us feel Your presence, let us know...
