

Carry Me

Dm Bb Gm C

Dm Bb
Verse 1: The road before me twists and turns, my step's unsure
Gm C
And darkness hides the stones that trip me up.
Dm Bb
I've fallen so many times now that my hands and feet are torn,
Gm C
I can't find the strength to pick myself back up.

D5 Bb5
Chorus: Carry me, I'm stumbling to the ground without You,
G5 C5
Carry me, I'm too weak to stand alone.
D5
When my walk beside You falters,
Bb5
I can't make it on my own,
G5 C5
Jesus, take me in Your arms,
Dm
Carry me home.

Ending: D5 Bb5 G5 D5

Dm Bb
Verse 2: Through the murky stillness a glimmer breaks the gloom,
Gm C
And I lift my eyes to search for signs of hope.
Dm Bb
Suddenly my Lord is there, to raise me from this tomb,
Gm C C#
And to lift me up so I can see the goal.

[repeat chorus twice]
