

Hallowed Be Thy Name

Intro: D G D Bm A

Verse 1: I come to You, My Father,
With words I've said before
But with a heart alive with wonder,
In awe of You, my Lord.
So hear me now as at Your feet I bow, and I sing

Chorus: Hallowed be Thy Name, oh Lord, hallowed be Thy Name
There are newer ways of praising You,
But some things never change, so I sing
Hallowed be Thy Name, oh Lord, hallowed be Thy Name
Thy kingdom come, Thy will be done, hallowed be Thy Name.

Verse 2: I come to You, My Father,
With nothing new to give,
Just a simple declaration:
You are why I live.
So hear me now as at Your feet I bow, and I sing

[chorus]

Bridge: Nothing can change You, nothing can shake You, immortal, eternal Lord.
Thine is the kingdom, thine is the power, the glory forevermore!

[chorus]
