

I Am Your Child

Verse 1: A E
Seems like I'm walking around in the shadows of giants
A E
Standing tall so maybe they won't see
A E
That underneath this tough talk and this cool façade of mine they'll find
A E
One scared kid inside of me.
D F#m7
But Father God I don't have to pretend with You,
D E
And I'm so glad You don't want me to...

Chorus: A E D
I am Your child, You're looking out for me,
A E D
I am Your child, and I will always be,
A E D A
I am Your child, that's all I have to be,
D A E A E D A E D
Forgiven, redeemed, reconciled—I am Your child.

Verse 2: A E
So when anxiety's riding me and my strength is gone,
A E
I don't fight those monsters on my own.
A E
When I put down my fists I get to let You be strong,
A E
Just the way You want to all along.
D F#m7
Father God I know if You be for me,
D E
It doesn't matter who's against me...

[chorus]

Bridge: F#m E
So why do I try so hard?
F#m E
Why do I forget?
F#m E A
Why do I drive myself crazy,
D E
When You've never let me down yet?

[chorus]
