

Just Beyond

Verse 1: C G Am F
In the twilight's melting hues
Or in a baby's baby blues
I can sometimes glimpse a view
Of eternity.

In the ocean's endless waves
Or a lullaby of springtime rains
I can sometimes hear the strains
Of eternity.

G Fmaj7
Something in me's sure
G F
This is what I was created for...

Chorus: C F Am G
Just beyond what my eyes can see
Streets of gold, mansions beckon me
Jesus waits to wipe my tears for me
C Am Fmaj7 G C
Pain is gone, oh it's just beyond what I see.

Verse 2: C G Am F
When a million stars unfold
On a velvet sky it seems so close
I could reach out and take hold
Of eternity.

G Fmaj7
Something in me's sure
G F
This is what I was created for...

[Chorus]

[Interlude]

Prechorus: G Fmaj7
Something in me's sure
G F
This is what I was created for...

[Chorus]

Return: C G Am F
In the twilight's melting hues
Or in a baby's baby blues
I can sometimes glimpse a view
Of eternity.
