

# Ruler of the Universe

Bb Gm Eb F Bb2

Verse 1: **Almighty God,**  
I'm humbled in Your presence.  
**Eternal One,**  
Your glory knows no end.  
I call You Lord  
And I'm awed at Your magnificence,  
But the most amazing thing of all  
is that I can call You Friend.

---

Chorus: **Ruler of the Universe,**  
Master of the sea,  
How could the One who hung the stars  
Submit to Calvary?  
And how could One so awesome  
Gently care for my small need?  
Oh the Ruler of the Universe  
Is the guardian of me.

Verse 2:  
Ancient of Days,  
Existing before all.  
Maker of life,  
Yet You gave Yourself to death.  
For me You bled,  
So that I could hear Your call,  
But how could the One who tames the wind  
Hear my ev'ry breath?

---

Last Chorus: (Modulation)

Ruler of the Universe,  
Master of the sea,  
How could the One who hung the stars  
Submit to Calvary?  
And how could One so awesome

Oh, the Ruler of the Universe  
Is the guardian of me.  
Oh, the Ruler of the Universe  
Is the guardian of me.
