

Save Me from Myself

Verse 1: Seems like I don't know how to give the love that I want to receive,
 I still feel the phantom pain from scars that long since ceased to bleed.
 I cling to my illusions even as I strain to see,
 All I can do is raise my hands and fall down to my knees and cry out,

Chorus: Save me, save me from myself.
 Can you remake me into something else?
 Something holy, something true...something more like You.
 Save me, save me from myself.

Verse 2: The best of good intentions only carry me so far,
 I resolve to change my colors but just turn a deeper shade of dark.
 I want to wipe it all away, but don't know where to start.
 All I can do is bow my head and offer You my heart and cry out,

[chorus]

Bridge: Save me from my foolish pride, my angry side,
 My never being satisfied,
 Seems that I will never find relief,
 Save me!

[chorus]
