

Come If You're Thirsty

[capo 2]

Verse 1: He says, "Come if you're thirsty, come if you're dry"
He says "Come to the Living Waters, only I can satisfy you."

"Come, if you're weary," He says, "Come if you're tired.
"Come, for my burden's easy, rest a while here by my side."

Chorus: Pour out Your healing, Jesus
Pour out Your love.
Pour out Your mercy
Till we're swallowed up in the flood.

Verse 2: Lord, we come, we are thirsty. We come, we are dry
But we come to the Living Waters, only You can satisfy us.

[chorus]

Bridge: Lord, refresh, renew,
Bring us back to You,
Wash away our fear and pride.
We call out to You,
You are faithful and true,
Lord hear us as we cry...
