

Do It Again

Verse: D G
Lord we've heard of Your fame
D G
Of miracles in Your name
Bm A
You turned water to wine, touched the eyes of the blind
G A
Even stilled the wind and the waves.
Bm G
Now we're here with great expectations;
D A
We wanna see it in this generation!

Chorus: D G
Do it again, do it again!
Bm A
Lord renew Your deeds in our day
D G
Do it again, do it again!
Bm A
Our lives and our world will be changed
D (G D G)
When You do it again.

Verse: D G
Lord we've heard of Your fame
D G
Of miracles in Your name
Bm A
But the greatest You've done is the saving of one
G A
Like me who was lost and ashamed.
Bm G
Now we're here with great expectations;
D A
We wanna see it in this generation!

Bridge: C G
We call on Your power Lord
C G
We call on Your grace
C G
We wanna see You rise up Lord
F A
Right here in this place!
