

Good Day

C G Am7 F [sim. throughout]

Verse 1: This day is fresh and new
There's hope on the horizon, skies are blue
This day's a gift from You
And I finally see that!

This day I won't look back
There was darkness behind me but I'm over that
This day I'm moving past
All the roadblocks in my way.

Chorus: And it's a good day, what else is there to say?
It's finally a good day!
It's a good day, it feels so good to say
It's finally a good day!

Verse 2: This day is all I've got
I won't spend another thinking 'bout what I'm not
This day I'll take a shot
At trusting and waiting.

This day I'm on my way
I haven't arrived yet, but that's okay
This day I'm gonna say
I'm enjoying where I am
