Verse 1: Em7 G
I once was lost, I once was blind
Em7 G
Life was a prison, I was shackled and confined
C G D
The more I struggled, the more entangled I became
C G D Em7 G
I searched and searched but saw no possible escape

Em7 G
The days dragged on and on and on
Em7 G
Another dreary midnight, another cold gray dawn
C G D
Just when I lost my hope of ever seeing change
C G D
I met the Love that loosens every chain

Chorus: C G D Em7
I've been set free, yeah! I've finally come home
C G D
That life can't bind me anymore
C G D Em7
I've been set free, yeah! The past is dead and gone
C D Em7 G Em7 G
And I'm cradled in the arms of the Lord
2nd time: *[I'm running to the arms of my Lord,
I will run into the arms of my Lord]*

Verse 2: Em7 G
Now I am found, now I can see
Em7 G
And every day's a gift of love and liberty
C G D
But when my life is done, don't you cry for me
C G D
Cuz when I run through heaven's gates I will sing...

Tag: Em7 G Em7 G Em7 G D
Amazing grace, how sweet the sound that saved a wretch like me...
C G D Em7
I've been set free, yeah, I've finally come home
C G D
That life can't bind me anymore...
